NARRATIVE:

Robert Cruise is a documented gang member and has an extensive adult criminal history that began at the age of 22. His convictions include multiple robberies, felon in possession of a firearm, false imprisonment with violence, multiple cases of transportation of controlled substances for sale, multiple cases of possession of controlled substances for sale. He has served multiple state prison terms, the longest being an 8 year term for robbery. Cruise was released from state prison to the supervision of the Los Angeles County Probation Department on January 15, 2016. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in June 2016 after he absconded from post release community supervision (PRCS). Cruise qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for transportation of controlled substances for sale is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
